Thank you, Kalispell!

Thank you, LendUS,
Guild Mortgage, and
First Interstate Bank, for
taking a fun selfie with us!

Kandice Ehler, Loan Specialist and Hanna Tester, Housing Network and Compliance Specialist recently visited the Kalispell area and met with several lenders to discuss NWMT loan products.

Thank you to everyone for their time and the wonderful feedback regarding the current market trends and challenges in the Flathead Valley. If we missed you and you would like more information on our loan products, please contact us. We can provide information via a webinar or conference call.

It is our goal to continue to create opportunities for families and individuals to live in affordable homes in strong communities. We appreciate your ideas and suggestions, and all that you do to further affordable homeownership in Montana!
