

## News from NeighborWorks Montana's Lending Department

Our Loan Specialists, Lori Yurko and Kandice Ehler, were recently welcomed by many friendly faces. Lori made lender visits in Bozeman and Belgrade, while Kandice was in Kalispell and Whitefish.

We know summer is a busy time of year and we thank you for your willingness to take the time to meet with us. Building relationships with all of you has been a vital component to our mission of helping Montanans achieve homeownership. Together, we can all make a difference in the lives of those who live in our communities, in turn making our communities healthy and vibrant.

We plan to make more visits in the fall, so please let us know if you are interested in meeting with us. If you would like to know more about our programs or have questions, please don't hesitate to contact us at any time.
