

Lending & Education News

NeighborWorks Montana will be closed on Monday, May 30th, in honor of Memorial Day.

NEW TOOLS FOR YOUR CLIENTS

NeighborWorks Montana now has two great animated videos you can share with your clients to explain both the NWMT Loan process and Homebuyer Education!

You can view them by clicking above and also find them on our **YOUTUBE CHANNEL**.

The Conference is Less than a Month Away!

The virtual housing conference will be held June 14th-15th and offers two days of great content, including these great plenary sessions.

To open this year's conference, we will hear from a panel discussing the state's role in housing affordability. Joining us will be:

- Kevin Gartland, Whitefish Chamber of Commerce
- Rep. Dave Fern (D)
- Rep. Tom Welch (R)
- Kelly Lynch, Montana League of Cities and Towns

Starting our day on Wednesday, we welcome filmmaker, Sara Terry, who will be sharing her film, *The Carlyle Group vs The American Dream*. Sara will talk with us about the film and what happens to residents once private equity becomes the landlord.

For the closing plenary we are thrilled to welcome Dr. Megan Sandel for a keynote talk about how stable, decent, affordable homes are a foundation of health for children, families, and communities.
