News from the NWMT Lending Department

NWMT Webinar

Education & Counseling Network Services

Tuesday, September 24

2PM - 3PM

This webinar will be great for mortgage lenders, real estate professionals, and those who work in the housing and human services industry.

Join us as we take an in-depth look at our statewide partner network. NWMT's network of 15 partners provide housing counseling and education services that can open your clients up to great down-payment assistance loans. This will also be a great opportunity to ask questions, not only of the NWMT staff, but we will also be joined by one of our housing counselors.

The webinar will be held on Tuesday, September 24 from 2-3 PM. To register for this free webinar, click the button below.
