Montana Native Homeownership: Seeking Your Input

NeighborWorks Montana is serving on a steering committee to explore the creation of a statewide coalition to support and promote homeownership for Native people in Montana. Our guiding question is: What will it take to convene a statewide coalition so that we leverage assets, collaborations, and a focused engagement of stakeholders to build equitable access to homeownership opportunities for Native Americans in Montana?

We would appreciate your perspective and invite you to complete a short 20-minute survey. Click the **TAKE SURVEY** button below to get started.

We apologize if you have received this request from multiple sources, but the survey will only be open until Friday, June 25, 2021, and we don't want to miss anyone. Thank you for your input!

Our monthly Meet NWMT Lunch & Learn is a quick introduction to NeighborWorks Montana and how we can help homebuyers reach their home purchase goals. If you are a mortgage lender or real estate professional, but haven't worked with NWMT yet, we encourage you to join us to learn how we can work together to serve Montanans.
