HOUSING STABILITY COUNSELING

When your income isn't meeting the costs of rising rents and high mortgages...

...it's okay to ask for help. You are not alone.

Are you currently housed and experiencing one or more of these issues?

- Have been served with an eviction or foreclosure notice?
- Experienced a loss of income or an increase of expenses?
- Finding it difficult to consistently pay your monthly obligations?
- Living in an unsafe or unhealthy environment due to housing conditions?

If you can answer yes to any of these questions you have come to the right place.

You will be given access to:

- A housing and financial counselor to guide you through the process.
- Montana Legal Services support to walk through legal issues around your financial situation.
- Emergency rental and housing assistance funds.

Everyone deserves housing stability.
We're here to help you find it.
