NeighborWorks Montana Staff Retreat

NeighborWorks Montana staff were able to be together in person this week for a staff retreat - the first since 2019!

We traveled to Livingston where we had a wonderful lunch together at **The Soup Bar** and then toured project sites. The first site we visited was **View Vista Community**, which is in its second year as a resident owned community. We then went to **Bluebunch Flats** and **Livingston Land Trust Cottages**, two projects NWMT provided funding for.

We enjoyed dinner and an evening of fun together at the historic Chico Hot Springs Lodge. We spent Wednesday diving into our individual strengths and how we can use them to work together more effectively. Our time was facilitated by Sarah Elkins of **Elkins Consulting**.

It was phenomenal to finally be able to see each other outside of Zoom, and the time left us feeling renewed and reconnected.
