

Happy Thanksgiving!

We are so grateful for you all!

Thanksgiving is a wonderful time for us to slow down and remember all that we have to be grateful for. Here at NeighborWorks Montana, we are thankful for all the support you each give us throughout the year. May your Thanksgiving holiday be full of family, friends, laughter, good friends, and thankfulness!

Our offices will be closed both Thursday, November 24 and Friday, November 25.

**Together we strengthen
our Montana communities!**

**GIVING
TUESDAY**

November 29 - December 2, 2022

This Giving Tuesday, we are celebrating the power of community! Join us in making a special project at the Pleasant Park Resident Owned Community in Great Falls become a reality!

The residents have come together in many ways since becoming resident-owned in 2020. Their most recent project, placing a small concrete pad and basketball hoop in the center of the community, has been widely used by children of all ages. Other park improvements have included a new community sign, a newly paved road, signs for safety, and landscaping.

Pleasant Park Community would love to continue its improvements by setting up a playground area for the children in their community but they need our help. Our goal this Giving Tuesday is to raise \$4,000 to go toward the purchase, installation, and landscaping expenses.

Why this project is important

Healthy communities depend on all of us doing our part to create spaces where people can come together for meaningful interaction and recreation. Having this park-like space in their neighborhood would give the residents and their children a safe place to play while also beautifying their community.

How to participate

Our Giving Tuesday campaign will be held Monday, November 28th, and will run through Friday, December 2nd. You are welcome to donate through our [Facebook](#) page or through the [Donate](#) page on our website.

Partner with us on this project! Click here to donate through NWMT.ORG/DONATE

Welcome, Julia!

Please join us in giving Julia Hope a warm welcome to the NeighborWorks Montana team!

Julia joined us as our Real Estate Lending Specialist on the Real Estate Development and Acquisition (REDA) team. She has lived in Montana for over 20 years and has been working in lending for over 10 years.

She lives in Kalispell with her husband, four daughters, and two dogs. Julia is very involved with her church and helps run a weekly Moms of Preschoolers group. She enjoys spending summer days at the lake, hiking, and long-distance running.

We are thrilled to have her on the team and she is excited to assist in Montana families having safe and stable homes!
